

FORMULA 1 MONACO GRAND PRIX
MONTE CARLO
28.05. – 29.05.2011

Terrace Albatros

The **Monaco race track** around the impressive Casino is one of only three temporary street circuits on the Formula One calendar. The city of Monaco gives the race a breathtaking backdrop. As the circuit is located in the heart of the city the view from normal grandstands is naturally worse than on permanent race tracks.

With our **apartment** in the Albatros we offer the opportunity to **watch about 80% of the start-finish straight** and enjoy our VIP service for a pretty cheap price. As tickets for apartments used to be very expensive we try to offer an alternative between normal grandstand tickets and expensive apartment tickets.

The building Albatros is located on the bd. Albert 1er in the first third of the start-finish straight.

The following areas can be seen :

- The start-finish straight
- Straight up to the Casino
- Starting grid
- View to the giant screen

The following services are included in the price:

- Breakfast
- Warm and cold first class buffet lunch
- Afternoon tea or coffee with biscuits
- Open bar including champagne, wine, beer and non alcoholic drinks
- Reserved seat on a table
- TV screen in the apartment

We can offer you the terrace for the following price per person:

Saturday & Sunday
